

Back By Popular Demand Free Math and Movement Training!

FOR ELEMENTARY TEACHERS, PHYSICAL EDUCATION TEACHERS, AND TEACHING ASSISTANTS:

Please join Suzy Koontz, Founder and CEO of Math and Movement in collaboration with the Onondaga County Health Department for a **FREE** training to learn how to incorporate Math and Movement into your classroom!

This training will provide you with:

- A kinesthetic, multi-sensory approach to teaching math and literacy that incorporates physical exercise, stretching, cross-body movements, yoga and visually pleasing floor mats designed to encourage students to practice concepts.
- A free Math and Movement Mat to take back to your classroom, as well as, a teachers manual to assist you in incorporating this mat right into your core curriculum.
