Bicyclists must adhere to New York State and local bicycle laws, and assume responsibility for their own safety when using this bike route map. The Syracuse Metropolitan Transportation Council, its member agencies, staff, and the Cycle in the City project volunteers do not guarantee the safety of the route indicated on

Please remember that road conditions may change: bicyclists must always be prepared for heavy volumes of traffic, traffic conflicts, potholes, loose debris, open car doors, other vehicles, pedestrians, and other road hazards. Bicyclists must assess their own riding skills to determine if they possess sufficient ability to adapt

Cyclists who become separated from the group should call Bob at 315-956-5544 if they are in need of assistance.
